

## Black Pearl

60' Wide Beam Cruiser Stern

**£145,000**

'Black Pearl' is a very comfortable Collingwood wide beam with the benefit of two separate cabins, a large bathroom with double size shower, and an open plan galley and saloon. Originally purchased as a lined sailaway by the owner in 2021 to be finished as the family home, circumstances have led to a change of plan and the vessel is now for sale with everything complete except doors to the two cabins and bathroom. The current mooring is in an idyllic location alongside the river Little Ouse, which would be transferable to a new owner subject to the land owner's agreement. This is an exciting opportunity and viewings can be arranged 7 days a week by prior appointment. Please note this vessel is not berthed at our marina.

**Brokers Note:** Following the fit-out, the vessel has undergone a detailed post-construction assessment and is being issued with an updated Declaration of Conformity to prove it complies with the Recreational Craft Regulations.

BSC	Due December 2024
Builder	Collingwood Boats / Owner
Model	60' Wide Beam Cruiser Stern
Year	2020
Berths	4 in 2 cabins
Engines	Canaline 52
