

Katie Bee

Freeman 32 Mk I

£19,500

A development of the Freeman 30 with 6 berths including two singles in the aft cabin, a double in the saloon and a further double in the forward vee berth. Twin 6 cylinder diesel engines give Katie Bee river and estuary capabilities and she retains her classic Freeman interior finish. Having been in the same hands since 2016, she is now offered for sale as her owners have purchased another vessel for longer stays afloat. Viewings are by prior appointment, so please contact us to make arrangements.

BSC	25/05/2028
