

Muriel

57' Narrow Boat

£55,000

'Muriel' has had one careful owner from new and was completed to their own specification as a 'home from home' to explore the inland waterways, which they have done extensively over the years whilst always keeping up to date with hull, superstructure and systems maintenance. However, all good things come to an end and now is the time for their beloved narrow boat to find new owners to enjoy her. The open plan saloon also gives someone a great opportunity to configure their own living space should they wish without having to make wholesale changes.

Whilst viewings can be arranged 7 days a week, this vessel is lying away, so all viewings are by prior appointment only.
