

## Serendipity

54' Narrow Boat

**£47,500**

A uniquely styled narrow boat along the lines of a traditional commissioner's launch believed built in 1992 by Peter Newman of Derbyshire. The vessel was surveyed in 2018 and underwent considerable works in both 2018 and 2022, including hull blacking and maintenance to the forward timber superstructure in particular, but this now has areas that are in need of urgent attention. For the right person, 'Serendipity III' represents an exciting opportunity to bring a very attractive vessel back to her former glory, but it will require time, money and expertise. For anyone that is genuinely interested, the vessel is available for viewing 7 days a week by prior appointment only as it is lying away.

BSC	23/03/2027
Builder	Peter Newman
Model	Commissioner's Launch
Year	Believed 1992
Berths	2 + 2 in 2 cabins
Engines	BMC 1.5
Fuel Type	Diesel
