Fairline Mirage

£14,500

The Mirage is one of the most popular motor cruisers built by Fairline, having both offshore and inland capabilities. With a pair of Volvo Penta petrol engines on stern drives, Kingfisher can be manoeuvred easily at low speeds, whilst also having the ability to plane in the right conditions. The exterior gelcoat finish is intact and in good condition for the vessels' age while some modernising of the interior has been carried out. Viewings can be arranged 7 days a week by appointment please.

BSC	29/08/2027
Builder	Fairline Boats
Model	Mirage
Year	Believed c.1982
Berths	5 in 2 cabins
Engines	Volvo Penta AQ145A x 2
