

Happy Warrior

Fairline Mirage

£23,500

'Happy Warrior' is an extremely well presented example of this very popular model of motor cruiser, which is ideally suited for family cruising on inland and inshore waters. Regularly laid up ashore over the winter months, she has been particularly well cared for by the current and previous owners and benefits from numerous improvements and upgrades, including new upholstery and a complete professional re-wire. There is also a very recent condition and valuation survey report, which is available for prospective buyers to read on viewing and a new Boat Safety Certificate. Viewings are available 7 days a week, so if you are in the market for a motor cruiser in excellent condition for the year, this is one not to be missed. Please contact us to make an appointment.
