60' Semi-Trad Narrow Boat

£55,000

'Shakira' is a lovely semi-trad narrowboat with a reverse layout that is very well equipped for long-term cruising, live aboard or leisure use and is the ideal size for exploring the extensive network of the UK's inland waterways. The seller has enjoyed owning the boat for 5 years, but due to relocation has made the difficult decision to sell 'Shakira'. We are open for viewings 7 days a week, so please contact us to make an appointment and we look forward to showing you around.
