48' Traditional Narrowboat

£39,500

A traditionally styled narrowboat from the highly regarded builder, Charlie Fox, based in March, Cambridgeshire. Recognisable by their distinctive stempost and quality fit-out in paneled mahogany, Kingfisher (originally Kingfisher Too) is boat number 71 and has had only two private owners since it was built for exhibition at the National Waterways Festival at Peterborough in August 1993. Features include a single poster double bed, dining table with hidden drinks storage, a very effective bow thruster, and a space-effective, traditional interior layout.
