

To Be Continued

30' Springer Narrowboat

£20,000

'To be Continued' (Formerly 'Pipkin') is a deceptively spacious cruiser stern narrow boat that is perfect for solo cruisers or small families looking to spend time on the water! The fit-out boasts its original woodwork which appears to be in very good condition for a boat of this age. 'To be Continued' has been used as a liveaboard by the current owner who is now selling due to the purchase of a larger vessel.
