

No Worries

Sheerline 950 Centre Cockpit

£49,950

'No Worries' is a beautifully presented vessel that showcases a popular craft. The sliding roof over the cockpit not only reduces the air draft but also makes it an ideal vessel for all weather cruising. With ample cabin space, it would make an excellent choice for those seeking to live on the water or set off on extended cruising holidays. We are open 7 days a week for viewings by appointment only please.
