

## Sundancer 2

30' Broads Style River Cruiser

**£18,000**

The Hereward 30 is a Bridge Boatyard, Ely design and built motor cruiser. It's main features include wide decks and low bridge clearance which makes it a fantastic choice for cruising the River Ouse. 'Sundancer 2' retired from the Bridge Boatyard Hire fleet at the end of the 2024 season and was purchased by the current owner who regretfully now needs to sell. This boat is well presented and is ready to cruise.

We are open 7 days a week by appointment only please.
